### A Savior Is Born! **Isaiah 9:6-7**

The Christmas season is upon us! Already, we are witnessing the hustle and commotion that comes with the holiday season. If we do not exercise caution, we might get caught up in the moment.

Christmas is a special time of the year to reflect on the events of the past year and to express our gratitude to God. After all, this is the time of the year when we celebrate the birth of Jesus Christ! I believe this year is especially important due to the events of the past two years.

Christians must focus on the positive (Phil. 4:8-9). The enemy comes to attack our thoughts. We should not cave into his diabolical schemes. We know how he operates and therefore we should govern ourselves accordingly (James 4:7).

Our focus should be on the reality that our Savior was born. God sent His only Begotten Son to redeem us (John 3:16). Christmas is the time to

This is the time of the year where we should recognize the mercy and grace of God! As bad as things have been I have witnessed the mercy of God like never before! My love, reverence and appreciation for the Lord has increased significantly.

Despite the inconvenience of the pandemic, our faith must remain rooted in the Lord! God has instilled within each of us, the resiliency to withstand Satan's attacks. We are more than conquerors (Romans 8:37-39) and we must renew our minds on a continuous basis (Romans 12:2).

exchange gifts, but let's not forget that our heavenly Father gave the "Greatest Gift" of all! There is no gift that surpasses the "Gift" that came down from heaven. I do not have time to debate exact date of Jesus' birth. My gratitude is simply based on the reality that He was born! This is a time to reflect on all that God has done for us.

## Memory Verse of the Month

**A Savior Is Born (Continued from page 1)**

God has provided a “Gift” like no other! I implore you to take time to reflect on Jesus Christ during this busy period. God has given us a "Gift" that keeps on giving, namely His Son Jesus Christ!

I challenge you to share your faith with someone this holiday season. Talk to someone about how God came into your life! Do not miss an opportunity to share your testimony. We received salvation because someone shared their testimony.

The greatest act of kindness we can show is to demonstrate the love of Christ to others.

This world as we know it, is rapidly changing. Things are getting worse (2 Timothy 3 :1), because Satan’s time is short! As we close out 2021, reflect on God’s mercy and grace. Let’s not get caught up in the commercialization of the season and forget all that God has done. Share the gift of salvation with a friend. God bless!

**The Prayer Room**

Prayer is the birthing ground to the supernatural. It is through prayer that God gains access to freely operate on our behalf. Email your prayer request to [tbtwministries@gmail.com](mailto:tbtwministries@gmail.com).

**Ministry Highlights**

We want to highlight three ministries. “*The 300*,” “*Women with Purpose*,” and “*A Gift From God!*” As part of the vision, God has birthed ministries within the church to carry out functions for specific groups of people. The church has an overall vision mandated by God. To meet the needs of congregants, there are

individual ministries to assist with the “big picture” which God has designated for this church. This offers an opportunity to introduce you to three of the primary areas of ministry in the church.

Each ministry is pertinent to what God wants to do though you! It is exciting to witness what God is doing.

**Email Address**

We reside in an emerging society that communicates in different formats. If you would like to receive this publication via email. Please ensure that the church has your email address. I assure you that it will not be used for any other purpose but to provide information. Your assistance is appreciated.

## Ministry Highlights

The 300 is the men's ministry. The scripture reference is found in Judges 7:7-8. God will raise up 300 men/males to facilitate change within this region. God is not concerned with numbers as He will take a few to bring about reformation for many.

There is a distinct void in many families, neighborhoods, and yes, even in churches. God has sanctioned men as leaders. Sadly, this void has created a problem that is widespread.

"The 300" is more than a means for men to congregate. The ministry addresses issues that are relevant to men. The goal is to bring down the walls that have plagued men! We want men to take back their rightful place in the kingdom of God!

## Women With Purpose

Women with Purpose is exactly what its name implies. Quite simply, it is a ministry for women who want to make a difference for the kingdom of God! Incredibly, the WWP was birthed from a series of women fellowship meetings.

The WWP allows women to be become built up to fulfill their purpose.

From a prayer breakfast to a movement, WWP is a ministry designed to empower women to impact their areas of influence. This is a global ministry! God always births people, churches, and ministries in a big way!

## A Gift From God

Children are our most prized possession from God! We view it as an honor and a privilege to prepare

the next generation to be Kingdom ambassadors. To facilitate the vision, God has given us, we seek to empower our youth to make an impact like never before!

## More Than A Church

We believe God is doing something special at Touch by the Word Ministries Apostolic Center! God is building an incredible team of committed professionals who are dedicated to advancing the kingdom of God.

We believe God has created an environment where Christians are safe! People are weary of religion and its associated principles of bondage. At Touch by the Word Ministries Apostolic Center, you have found more than a church. You found a home!

**Don't just come to church,  
join church!**
